

Church Planting Missionaries in Burkina Faso West Africa

February Prayer Letter

Exciting news!

Ashley and I are very excited to announce that we are **expecting our first child!** The baby is due in August and we are so excited to meet him/her. Please pray for us as we make plans for our baby and getting everything together that we will need for our child on the mission field. Also please pray for the grandparents as they will have a little bit harder time saying goodbye for a while as we go to serve God in Burkina Faso.

Support and set up fund update:

Last month I said we were trying to reach our 75% goal by the end of the month and I am very excited to announce that we have met this goal! Praise the Lord! Thank you so much to the churches that have decided to partner with us, we feel honored that you would support us. We also had a church give us \$900 towards our set up there in Burkina, that is almost enough to pay for our language school. Now we are praying that we are able to reach 80% by the end of February, thank you for praying with us!
