

# Church Planting Missionaries in Burkina Faso West Africa

## June Prayer Letter

### Arriving on the field!!

Bags are packed, the tickets are purchased, all we have left to do is say our goodbyes and **fly out on June 12th**. We have worked hard over these last 2 years for deputation and we are very grateful for all that God has provided and all those who gave to make this possible. It has been a dream of mine since I was a child to be able to serve God one day on the mission field and it's amazing to be able to live my dream.

God has met so many of our needs in this last month of deputation, we had 4 new churches take us on for support as well as money given towards our set up. We only need a few more supporting churches and about \$10,000 more dollars for purchasing our car. I have been overwhelmed by all those who have reached out and given towards our ministry. I will never be able to express my gratitude for all those who have made this possible, **please pray with us as we say goodbye to friends and family and make our final preparations for the field.**

We feel very humbled and honored that you would consider us a worthy investment of your missions dollars. Thank you so much for your prayer and support!
