

Church Planting Missionaries in Burkina Faso West Africa

May Prayer Letter

The last month before we leave!!

This last month has been crazy! Ashley and I have completely packed our apartment and are gathering all of our belongings to go into our shipping container. We only have 14 meetings left before **we fly out on June 12th**. We are so excited to be moving to Africa and getting started. We have a few more projects that we are working on before we go, the most important of which is making sure we have the support we need to be able to live and minister in Africa.

We still need about 15% more support to be fully funded and have what we need to live and work in the country of Burkina Faso. I would like to ask for special prayer for the last 14 meetings that we have, please pray that they would go well and that God would provide the remaining support that we need. Also please pray for us as we finish packing and make our final preparations to leave. We are beginning to say goodbye to friends and family and leaving is starting to become very real for us. I would like to thank all the churches that have partnered with us for their faithful support, without which we would be unable to serve God on the mission field. We feel very humbled and honored that you would consider us a worthy investment of your missions dollars. Thank you so much for your prayer and support!
