

Church Planting Missionaries in Burkina Faso West Africa

August Prayer Letter

Second month in Burkina!!

Since arriving here in Burkina we have been very busy and loved every minute of it. Our house is almost done and the container just arrived in Burkina, within a few days we should be able to get it through customs and start setting up our home. Language school has been going well and Ashley is advancing in the French language. I was able to preach for the teens and the kids this past month in French and although I am very rusty it's starting to come back to me and I think within another month or so I will be back at the level I was before I left in 2012. Ashley and I will be taking over the Wednesday kids ministry and the teens ministry at the church of the veteran missionary Keith Shumaker, Pray that God will use us in these ministries.

I met a man a few weeks ago named Amié, I invited him to church and he has been coming ever since, last week I visited him at his house to clearly explain the gospel to him. He has 8 children and has been struggling to make it financially after the company that he works for cut his salary in half. Please pray for this man that he will understand His need for a Savior and Trust Jesus Christ.

Pregnancy Update:

Ashley is now 9 Months pregnant and could be having the baby any day now. We had her last ultrasound the last week of July and the doctor said to expect the baby anytime in August. Thank you for all of those who have prayed for her through the pregnancy she has done well even with the heat and stress of moving. We are very excited to be meeting our baby boy very soon.
