

Church Planting Missionaries in Burkina Faso West Africa

December Prayer Letter

Thankful:

I am so thankful for my wife. She is such an incredible woman. She left her job and family and everything she called home to follow me to Africa and serve the Lord. She is a servant and the best mother I know, and she is a pretty good crocodile wrestler. We celebrated her 26th birthday last month, I am so incredibly thankful to call her best friend and wife .

Update:

-God has been blessing the ministry like crazy here in Burkina Faso. Veteran Missionary Keith Shumaker had baptisms this week and several were baptized.

-The church in Pissila is almost done and just needs a roof to be put on the building.

- God has allowed me to help with the construction of a bigger church building for the church plant in Zagtouli where we are currently working. I have been learning a lot about the construction process here in Africa.

-I am still going out to the Village at Nabitanga 2 every week to help with the kids ministry. It is exciting to see the advancement as we have many kids that have become very faithful to the kids club and to the church.

Prayer Requests:

- Please pray for us as my wife and I still are working diligently to master the French language.
- Please pray for the different churches and ministries here in Burkina Faso.
- Pray for souls to be saved, I am very happy to report that I was able to lead one of my neighbors to the Lord (Roger) and he has been faithful to church and is growing in his faith.
- Pray that God will call forth labors into his harvest here in Burkina Faso and that we could be used to train them up to be pastors here in this needy country.
