February Prayer Letter

Drilling a new well:

This month I had the opportunity to assist in drilling a new well in a very needy area right next to one of Missionary Keith Shumaker's church plants. We went down around 210 feet and hit a good amount of water. This new well will not only help the people of the area have clean water nearby, but it will be an incredible opportunity for the church to be a light in the community as they share the gospel with all who come.

Harouna got saved:

This week while out inviting people in the neighborhood to church, I was approached by this man, Harouna, and he asked how he could be saved. We spent over an hour talking about the gospel and he insisted on getting it settled right then and there. He was very excited to be on his way to heaven. He came to church Sunday and is eager to grow in his faith.

Ministry at Nabitaga 2:

This month we also had a soccer tournament in the Village of Nabitaga 2, we wanted to use this to draw in some young people and try to grow the youth ministry. We were very pleased to have over 100 in attendance. We preached the gospel and several came forward to learn more about how they can be saved. We hope to see the fruit of the special day in the months to come.

Prayer requests:

- Pray for the growth of the Church in Zagtoui
- Pray for me and Ashley as we continue to work on the languages
- Pray for Harouna as he begins his new Christian walk
- Pray for our Safety
- Pray for the Ministry at Nabitaga 2, and that the visitors will stay faithful
