April Prayer Letter

Church Building:

We are working quickly to finish the construction of the church building at Zagtouli. The windows and doors just finished being made and were installed last week. This week we are starting to stucco the building, pour the floor and finish installing electrical in the building. **Our goal is to be able to have our first service in the new building for Easter Sunday on April 21st.** We are excited about the opportunities that the larger building will give for the Baptist church Of Zagtouli.

English class:

The English class was a success. After the 4 weeks of class, we had them sing "Jesus paid it all" on a Sunday morning at church and they did a great job! **We had 3 first time visitors at the church** as a result of the class as well and I had the chance to share the gospel will several that had never heard about the Grace of God through Jesus. Help us pray that God will continue to work in the hearts of these young people.

Young men in training:

For the past few months, Bro Keith and I sat down with the faithful young men at the church and started talking to them about starting to serve in different ministries around the church. ministries such as teaching Kids, leading singing, translating from French to Moore, Etc. We told them to dress like a leader and they put in a lot of effort but most of them didn't have very nice church clothes but they wore the best they had. Last week I took them to pick out a dress shirt and taught them how to tie a tie. God is working in the hearts of these young men and I am excited to see all that he will do with there lives.

Prayer requests:

- Pray for me and Ashley as we continue to work on the languages

-Pray for the leaders of Burkina Faso as terrorism and violence is still on the rise

-Pray for the Shumaker Family as they prepare to head back for a furlough
