

Church Planting Missionaries in Burkina Faso West Africa

July Prayer Letter

Ministry update:

God has been working here in Burkina Faso, **one woman got saved last week!** The young men are really stepping up and serving in many different areas in the church. They are teaching the kids each week, as well as leading music and translating messages. It's exciting to see people growing in their faith as God continues to work in their hearts. Please pray that God will help our church at Zagtouli to shine the Gospel light brightly in the area around our church and that we can train up men to carry the gospel in other areas as well.

Church update:

The Construction of the building at Zagtouli is now complete. The building looks great with the last touches finished. **For the month of June, I preached on evangelism.** We had a big day for the last Sunday of June where **I challenged the people to go out and invite their family and friends to come to church.** We had **10 first time visitors** as well as several that come back for the 2nd or 3rd time. Praise the Lord! Pray for us as we share the gospel with these new contacts.

Rishel family:

This is missionary **Jason Rishel** and his family. (Charity, Levi, and Joshua) They are **moving to the second largest city here in Burkina Faso, Bobo-Dioulasso to start a church.** There are currently no Independent Baptist Missionaries working in this very needy city. Jason will be starting a church and working to train men to plant other churches as well. Please pray for him and his family and pray that God would greatly use him to see many souls saved, men trained, churches started, and men trained and sent out to preach the gospel.

Prayer requests:

- Pray for us to stay healthy
- Pray for Jason Rishel and his family as they move to Bobo-Dioulasso to start a new church
- Pray for me as I have taken over the responsibilities of **Pastor of the church in Zagtouli**
- Pray for the leaders of Burkina as terrorism and violence is still on the rise
