## September Prayer Letter

### Ministry update

The Lord is blessing the ministry here in Burkina. This week we sent one of the young people, Kevin, to work alongside Jason Rishel in, Bobo-Dioulasso. They will be working together to start a new church and reach that city with the gospel. The woman on the left was working in a quarry. She spends all day breaking down gravel by hand to sell for construction. We were able to share the gospel with her. Please pray with us that God will work in her heart and she will be saved.

### Evangelism

Friday the 6th we will be having an evangelism campaign at Zagtouli near our church. We will have over 40 people arriving early to invite people to come where we will be showing a gospel film and preaching on salvation. We have been working hard and praying that God would move mightily and that people will be saved. Please pray with us that God will work in people's hearts and lives and that souls would be saved.

### Teen Camp 2019

This year's teen camp was a success. The Baptist churches across Burkina Faso all came together to have a teen and young adult camp. We had over 150 in attendance and 2 teenagers made professions of faith as well as tons of others that made decisions to be faithful to read, study and meditate on the Word of God. Please pray for these young people, that they would be able to put into practice what they learned and hold fast upon the Word of God.

### Prayer requests:

-Pray for us to stay healthy

-Pray that God would allow us to see many come to Christ during our evangelism campaign

- Pray for me as I have taken over the responsibilities of Pastor of the church in Zagtouli

-Pray for the leaders of Burkina as terrorism and violence is still on the rise
