

# Church Planting Missionaries in Burkina Faso West Africa

## November Prayer Letter

### Church update:

After a lot of hassle, we were able to get authorization **to put up a new sign at the road** letting people know where the church is. This has already helped immensely when inviting people to church. Since there are no street addresses it can often be difficult to give directions. Since we put up the sign almost everyone we have invited has said they have seen our sign in passing. Please pray that God will use this sign to make it easier for people to find our church.

I am very excited to report that we had **multiple decisions to follow Christ this month** at the church. We had the young man pictured on the far right, Ibrahim realized his need for a savior after visiting the church. He has been very faithful even coming to help with our monthly evangelism campaigns. We also had a woman named Patricia accept Christ as her Lord and Savior after coming to the church for about a month. Please pray for these 2 new Christians as they begin their walk with the Lord.

### Salvations:

### The rainy season:

The rainy season has officially ended here in Burkina Faso. That means I won't be getting my car stuck in the mud anymore. This year most people got less rain than they needed to have a good harvest. **Many have lost much of their crops.** This will mean that the prices on grain will go up and many people will struggle to have enough to eat this year. Please pray for the people who are affected.

### Prayer requests:

- Pray for us to stay healthy through malaria season
- Pray for Ashley to have a safe and healthy pregnancy
- Pray for the new believers as they begin their new walk with the Lord
- Pray for those who lost crops and will struggle to feed their families this year
