## December Prayer Letter

### Church update:

The church is doing really well and growing each week. We have had **visitors almost every week and many have been coming back for a second and third time.** We are also excited to see some of the young men stepping up and serving in more capacities. We now have a young man able to play the piano for the services as well as others that have helped lead the music.

In the past month, God has continued to bless and we have had **2 people accept Christ as their savior.** In the picture on the right, Edward had just accepted Christ and has been very faithful to church ever since. I also have a neighbor, an older man named John that I have been witnessing to for more than 3 months. He finally came to church and raised his hand about salvation. After the service, he told me that he had been thinking about the gospel that I had shared with him and he was ready to give his life to Jesus.

### Eden Grace Brown:

On **November 13** we had an early Christmas present arrive. **Eden Grace Brown** was due in mid January but decided to come a few months early. We were worried that she would not be able to breathe on her own because she was very premature and only weighed around 4 pounds. But God blessed and she **was born healthy and able to breathe. We even took her home from the hospital the next day.** She is our little Christmas miracle. Thank you for all those who prayed for Ashley to have a healthy pregnancy.

### **Prayer requests:**

- Pray for baby Eden to be able to gain weight and grow quickly
- Pray for the new believers as they begin their new walk with the Lord
- Pray for the church to be able to continue to grow and retain those who are visiting
