

# Church Planting Missionaries in Burkina Faso West Africa

## January Prayer Letter

### Youth Conference:

Dec 28, while the high-schools were out on Christmas break we had a youth conference. We invited some nearby churches and had around 60 youth between the 3 churches that sent their young people. God blessed and we had a great day of games, competition and of course plenty of Bible preaching. Our theme was serving God with your life. Please pray for these young people to be completely sold out for the Lord.

On Christmas eve we gathered together as a church in our church office for a special Christmas eve service. The women of the church came early to cook for us, green beans that we had fresh picked in the morning. The youth of the church sang a few Christmas songs that they had prepared and we had several first-time visitors. We have been blessed to have visitors almost every week at the church. Please pray that God will help us to keep them and for them to realize their need of Jesus as their Lord and savior.

### Christmas Eve:

### Vacation Bible School:

Today (Jan 2nd) was the first day of our vacation bible school program for the neighborhood kids of our church. We had 108 children come for the first day, our goal is to have 200. I was able to preach the gospel clearly to these children. Please pray that this will help us have more children coming to church on a regular basis and that we will have the opportunity to invest in the lives of these young people.

### **Prayer requests:**

- Pray for baby Eden to be able to gain weight and grow quickly
- Pray for the kids ministry to be able to grow in the year 2020, so that we are able to invest more into the lives of these kids
- Pray for the church to be able to continue to grow and retain those who are visiting
