

# Church Planting Missionaries in Burkina Faso West Africa

## September Prayer Letter

### Baptisms:

I had the privilege of **baptizing 5 people** from the church in Zagtoui. Most of whom I was able to personally lead to the Lord. It is amazing to see as they are growing in their faith. Please pray that we are able to continue to see people reached with the gospel, baptized, and disciplined to maturity. **Pray for Assita, Patricia, Edward, Daniel, and Pascaline as they continue their walk with the Lord.**

### Pastors Camp:

In August Missionary Keith Shumaker hosted his pastor camp for the men sent out of his ministry. **There were 12 different pastors from across the country came together to share how God is working in their perspective ministries.** I was encouraged to see how God is using these men. But it also made me realize how much work is left to do. Pray the Lord of the harvest to send forth more laborers.

### Family Update:

**Parker turned 2 years old** on August 11th. He is growing so fast it's hard to believe. He has started to talk and he is already speaking in both French and English. He loves animals and running around outside. Anytime I leave the house he comes running with his shoes in his hand hoping to come. **Eden** is also doing well, **she is now 9 months** old and has started really moving and growing in the last month. She will be crawling soon and is very healthy. Thank you for praying for the health and safety of our family.

### Prayer requests:

- Pray for our family to stay safe and healthy
- Pray for those who were baptized as they continue to grow
- Pray for the teen camp we will be having next month
- Pray for guidance as I seek Gods will in where I will be starting a new church
