

# Church Planting Missionaries in Burkina Faso West Africa

## December Prayer Letter

### Safely arrived:

We made it back to the States for our short furlough. The morning of our flight the airline changed our connecting flight which left us with a layover in Istanbul for 2 days, but all the details worked out and we ended up having a good time while we were there. It was a little tough traveling with 2 young children but we eventually made it safely. Thank you to all those who prayed for our safety as we traveled.

We are now **scheduling meetings from Jan -April of 2021**. We are praying that God would allow us to pick up **10 new supporting churches**. We need to replace some of the churches that we lost during our first term due to churches closing or lack of finances, as well as keep up with our growing family and ministry. If you know of any churches that are looking for a missionary in West Africa you can contact us by email at: [Dallas@browns2africa.com](mailto:Dallas@browns2africa.com) or call 678-386-7339.

### Furlough scheduling:

### Land for church:

One of the pastors in Burkina Faso contacted me soon after we arrived in the States to let me know that **a piece of land was just listed for sale in Zinguedesse**. The land is right where we want to start our church and we are praying that God would allow us to purchase this land. Please pray that God will provide the **\$15,000 dollars we need to purchase this property for our church plant**.

### Prayer requests:

- Pray for my family's safety as we get started traveling
- Pray for us to be able to quickly raise the money we need for the land purchase and the support we need for our ministry
- Pray that God would help us prepare everything we need for the new church plant in Zinguedesse, Burkina Faso
