March Prayer Letter

Shipping Container:

The Lord provided a means for us to **ship all the material for our new church plant**. Missionary Nate Wilkerson and his family are headed to Burkina Faso to begin language school. They shipped a container with their belongings and graciously allowed us to put material for our family and the new church plant on their container. We loaded it up and it is headed over to Burkina. **All the material should be waiting on us when we arrive in June.**

The kids are adjusting well to traveling. Before this, they had never done long car rides and were not used to being strapped down for very long. They do not like to sleep in anything but their own beds and do not nap very well in the car. Pray for Parker and Eden because we have a few long trips coming up that will mean several days of driving in the car which can be tough for them.

Traveling:

We have been busy traveling to different churches to present the ministry and update our supporting churches. God is providing every step of the way. We have had some very generous churches give the money we need for the new church plant and we are very excited about getting back to Burkina to start the new church. We have meetings through the month of May and **will be headed back to Burkina Faso in June.**

Missions conferences:

Prayer Requests:

- Praise the Lord for providing the materials and shipping as well as some money for the church plant when we get back
- Pray that COVID will not hinder us from going back to the field
- Pray for our safety as we travel
