## April Prayer Letter

### Furlough Update:

Our first furlough has been an encouraging time of both updating some of our supporting churches and visiting some new churches replenishing some lost support. God has allowed us to see old friends that we made on deputation as well as make new ones. We feel honored to be able to serve the Lord in this capacity.

Our family is doing well. I have been able to achieve most of the paperwork that I needed to get taken care of for our family before returning to Africa, including applying for a social security number for Eden. We are now trying to make sure the grandparents get to spend as much time with our kids before we head back to Burkina.

### Family Update:

We are very excited to announce that we are headed back to Burkina Faso in less than 60 days! We have enjoyed our time seeing family and updating our supporting churches but we are eager to get back to the ministry that God has called us to. We will be making the final preparations for travel and leaving on June 1st.

### Countdown to departure:

**60 until we  
leave for  
Burkina!**

### Prayer Requests:

- Praise the Lord for keeping us safe as we travel and helping us replenish the support we needed before returning to Burkina
- Pray that COVID will not hinder us from going back to the field
- Pray for our safety as we travel
