May Prayer Letter

Furlough Update:

As our furlough is coming to a close, we have visited many of our supporting churches and some new churches. I would like to thank all of our supporting churches for your faithful support and prayer. We are honored to be able to partner with you in taking the gospel to Burkina. Without your support we would have never made it to the field, without your prayer, we would not have made it on the field.

In April we had orientation with our mission board. Orientation is a time of preaching, encouragement, and training to help prepare and encourage the missionaries that are preparing for or on the mission field. I am very thankful to serve with a team of men and women who love the Lord and serve him all over the world.

Orientation 2021:

Countdown to departure:

**15 until we
leave for
Burkina!**

We are now making the final

preparations for leaving on June 1st. God has blessed and we have been able to have much of the preparations for our arrival done in advance. God has used churches to provide money for a piece of land for our first church plant as well as money to build our first building. We cannot wait to get back to start a church.

Prayer Requests:

- Praise the Lord for keeping us safe as we travel and helping us replenish the support we needed before returning to Burkina
- Pray that COVID will not hinder us from going back to the field
- Pray for our safety as we travel
