July Prayer Letter

Mega voice audio Bible:

This is Paul. **Paul got an infection in his eyes in 2010 and has been completely blind ever since.** More than 2 years ago, when I first met Paul, he told me one of the hardest things about being blind was being unable to read the Bible and unable to go to church without someone to take him. **I promised to try and find an audio Bible that he could use** despite his disability and finally **this week I was able to fulfill that promise.** I can't tell you how excited he was to once again have the word of God that he could listen to on his own. Thank you so much to those who gave to make this possible.

Since our last update, **we have signed a rental contract for a house** that is much closer to the area that we will be starting a church. We had a lot of trouble finding a house and we had several houses fall through at the last minute forcing us to start completely over searching. But finally, we have what I believe to be the perfect house for our family. **The work to get it ready is moving quickly and we plan to make the move within the next week or two.** Please pray the move goes smoothly and quickly.

Family update:

Ministry update:

We have seen several people saved in the last few weeks. One of them is **Abadou who accepted Christ after receiving a tract from Nate Wilkerson** and asking questions about how to get saved. **We were able to get his phone number and meet him later where he accepted Christ as his Savior.** I was able to pick him up and show him a church that he can attend where he can be discipled.

Prayer Requests:

- Pray for the preparations for the church plant at Zinguedesse
- Pray for those who recently got saved and are just beginning their Christian walk
