September Prayer Letter

New Church plant:

I am very excited to announce that we have officially started the Victory Baptist Church of Zinguedesse. For now, we are meeting under a hanger that we built on the land. God has blessed allowing us to see people coming to our first service. We are **planning to have an evangelism campaign** next week where we will canvas the community around us and have special services each night for a week to help kick things off.

We have finally moved into our new house and have gotten it almost completely set up. As with any move, there are a ton of little issues that need to be fixed but we are getting them fixed quickly and settled in. We are thankful to be in the new house so that now we can turn our full focus towards the new church plant. **To give an update on Parker, he is doing much better now.** We were worried because he had malaria twice in two months. He is doing much better now, thank you to all who prayed for him.

Family update:

This month I had the privilege of participating with teen camp hosted by veteran missionary Keith Shumaker. He invited Pastor Tony Howeth to come and preach this year. God moved in a mighty way and it was incredible to see God work in the lives of so many teenagers. There were **11 teenagers saved as well as multiple young men called to preach.** It was exciting to see God saving souls and young men answer God's call to work in His harvest.

Teen Camp:

Prayer Requests:

- Pray for the teenagers who made decisions at camp this year
- Pray for our family to stay healthy throughout malaria season
- Pray for the evangelism campaign that we will be having to help kick start our church plant
