October 2021 Prayer Letter

Evangelism Campaign:

Thank you so much to all those who prayed for our evangelism campaign last month. **We started our campaign on Wednesday night and held services every night finishing on Saturday night.** Each night we spent a few hours canvassing the community inviting people to come, then we had a gospel film and a message. The first night only a few people attended but on **Friday night we had our largest crowd of over 100 people.** We preached the gospel and are praying that people will come to our church.

This month we had an intern come to work with us, his name is Michael Turner, He is praying about being a missionary to the Congo. **Parker will also be starting preschool this month.** I would like to ask for a special prayer for the girl in the picture with Ashley. Her name is Blessing. She is Nigerian and has been in Burkina for a short time. Ashley is praying that she will accept Christ as her savior. Ashley gave Blessing her English Bible from high school. Please pray for her salvation.

Family update:

The Kid's ministry at the church has really taken off. Last **month we held a one-day back-to-school bash** and tried to get as many kids from the surrounding area as possible to come and **we had around 140 kids show up to participate.** We are working on reaching these kids with the gospel. We started weekly kid's club meeting where we sing, teach a lesson, and play a few games. Please pray for these kids and for our new kid's ministry.
