November 2021 Prayer Letter

New Church plant:

The new church plant is going well. It is exciting to see all that God is doing. We are working hard each week to evangelize the community that our church is in. God has blessed and there are visitors coming to the church most weeks. Most Sundays we will have one or two visitors. We are excited to see all that God is doing. Please pray that God will continue to help us as we work to establish Victory Baptist Church.

Our family is doing great. Parker has enjoyed going to school every day and getting to make friends. He asked to go to school and church every day and is upset if we tell him he has to wait until Sunday or Wednesday to go to church again. This month we are excited to celebrate both my wife's and Eden's birthdays. **Eden will be turning 2 years old.** She is full of energy and we are very grateful that God has allowed us to raise her.

Family update:

New believers:

This month we have seen 3 people make professions of faith. We are excited to see God is still saving people and we are yet again reminded that the gospel works. Please Pray for Usirria (on the Left), Arno (on the right), and Victoria (not pictured) who accepted Christ as their personal savior. We are hoping to see many more come to a saving knowledge of Jesus Christ in the weeks to come. We are currently teaching a baptism course for those who got saved preparing for the first baptisms of the new church plant.

Prayer Requests:

- Pray for our new church plant, Victory Baptist church of Zinguedesse
- Pray for those who are just starting out their new walk with Christ
- Pray for our family to remain healthy and safe
