December 2021 Prayer Letter

New Church plant:

The church plant is doing really well and it is exciting to see it taking off. We are holding weekly kids' clubs and last month we had our first teen event where we had 12 teens attend. Each Sunday we are having a few visitors and have seen a few people start to be very faithful to all the services. We have a packed schedule for December which includes a teen retreat, kids Christmas party and our first meal that we will cook and eat together as a church.

During the month of November protests were planned throughout Burkina Faso. The population was planning to protest what they believe to be an inadequate response to the weekly terrorist attacks that are taking place throughout the country. The government cut internet access off to the entire country to limit the organization of the protests which quickly turned violent. Luckily the protest only lasted a few days and only a few people were injured.

Unrest in Burkina Faso:

New Believers:

This month we have seen **many people make professions of faith**. The pictures above are just some of the people that have raised their hand after a church service saying that they wanted to trust Jesus Christ as their savior. Please continue to pray that we would see souls saved and that we can help these new believers grow in their faith.

Prayer Requests:

- Pray for the church plant, Victory Baptist church of Zinguedesse
- Pray for those who are just starting out their new walk with Christ
- Pray for peace in Burkina Faso
