January 2022 Prayer Letter

Teen Retreat:

The past month has been a busy one for our church. We planned a Christmas party, new years party, Kids Christmas party, and a teen retreat. For the teen retreat, I was pleased that **we had 18 teens from our church come to play games, listen to preaching, and have fellowship with other Christian teenagers.** We are starting to have a good group of faithful teens that are growing in their faith.

Last month we had a great Christmas as a family here in Burkina Faso. The Burkinabe's celebrate Christmas by going house to house visiting friends and family. We cooked and hosted people from our church in our home. We had many visitors from the church and a few neighbors and other friends stop by to say hello. We also had a Christmas eve service at our church had some first-time visitors including some of the member's families that we have been praying would visit the church.

Family Update:

Kids Christmas Party:

The kid's Christmas party was a huge success. **We had over 500 children attend and many parents came to just observe and see what was going on.** I preached about having your name written in the Lambs book of Life. Each of the kids got a small Christmas gift with an invitation to give to their parents to come and visit our church. Thank you to all those who gave to make this a special Christmas for these children!
