May 2022 Prayer Letter

Ministry update:

Construction has officially started on our very first church building! Our church has been meeting in a hangar since the beginning and we have outgrown the hangar and are ready for our first building. Please pray for this project to go quickly and smoothly. This first building will be a large classroom that will serve as an auditorium for the church. Later on, the church can build a larger building for an auditorium if needed. We will continue to use the hangar for kid's classes and other activities for the church.

Easter Sunday:

Easter services were extremely exciting here at Victory Baptist Church of Zinguedesse. Leading up to this special day there was a lot of work to do. The Saturday before Easter had a flat tire that I had to change and repair 3 separate times. We also had a lot of trouble with the basin that we built for our baptisms. Kids from the neighborhood went swimming in our basin and they were playing with rocks and busted the bottom and sides making it leak water. Despite these obstacles, we were able to get everything ready in time and had a great day. **Our church had dozens of first-time visitors, baptized 10 people,** and held a reception where we ate together as a church. Easter was truly a special time for our church

Prayer Requests:

- Pray for the church plant, Victory Baptist church of Zinguedesse
- Pray for the construction of the first church building
- Praise the Lord for those who were baptized and a successful Easter program at Victory Baptist Church of Zinguedesse
