June 2022 Prayer Letter

Reading the Bible:

These two women are members of one of a church started by missionary Keith Shumaker. We had the privilege of getting to know them while learning from Bro Shumaker's ministry. **These women never had the chance to go to school and learn to read.** They told me many times that they wished they could read the Bible. **I promised them that I would find a teacher** if they worked hard to learn to read. This month they came to show me what they had learned and **each one was able to read a chapter of the Bible on their own.**

We have broken ground on the building for Victory Baptist Church. Things are progressing quickly. **The foundation is laid and the walls are starting to go up.** We are hoping to have the **building ready for use before the rainy season starts soon.** We pray this building will allow us to reach more people in our community as our church strives to continue to grow and reach the lost.

Construction Update:

Salvations:

This month God has blessed and we have seen new people visiting the church regularly and we continue to see people making professions of faith. The woman on the left is a new neighbor of the church. One night after church, a young girl was leaving our church on a moto and hit her. She was taken to the nearby clinic to make sure she was okay and was treated for a sprained ankle. We had several people from the church go by to visit her to make sure she was okay and **she was so touched by the visits that she came to church. The Sunday she attended church she heard the gospel and accepted Christ!** The lady on the right got saved on the same Sunday. It's amazing to see the Lord saving souls.

Prayer Requests:

- Pray for the church plant, Victory Baptist church of Zinguedesse
- Pray for the women that recently made professions of faith
- Pray for us to see more souls saved
