## July 2022 Prayer Letter

### Youth group:

Most students are out of school for summer break so we have been working to build up the youth group at our church. **Last week I invited all the young men over to our house for games and a Bible lesson.** Please pray for these young men. Some of them have not yet made a decision to follow Christ while others are just starting out their Christian walk. It has been exciting to see many of their lives changed by the gospel.

### Church Update:

The church plant is going really well and we are really excited to be **getting into our new building soon.** We have had visitors on a regular basis and continue to see people coming to Christ. We are working to train leaders so that we are able to add more ministries for the growing church. Please pray for us as we work to help the church grow towards stability and maturity.

### Vacation Bible School:

This month we held a VBS for the kids of our community. We had around **110 kids attend each day.** **The kids learned Bible verses, Bible stories and played games. Then they were sent home with a bag lunch of rice.** The VBS was a great success and I was excited to see so many people from our church step up to help out and work for the VBS go smoothly. Please pray for these kids as our church works to reach them with the gospel and to continue to teach them the word of God.
