September 2022 Prayer Letter

Church Update:

Our church building is coming along nicely. Last month **we were able to put the roof on the building**. Although we have not had an official opening, we started holding services inside. It is far better at keeping us dry on rainy days than the hanger. We are so excited about this next step and are praying that we are able to outgrow this building soon and be forced to build another larger auditorium. Then we will convert this first building into Sunday school rooms. But of course, we have to fill it up before we can do that. Please continue to pray for our church plant.

Travel Update:

We made it to the States for the wedding and it was a pretty easy trip. The kids did great flying and slept much of the flight. We have enjoyed getting to see our families and celebrating our kids' birthdays with grandparents and friends. I was honored to be able to officiate the wedding for Ashley's brother last week and now we are preparing to head back to Africa. Please pray for our family as we travel.

Teen Camp:

Last month I asked for prayer that our church would be able to send 30 teens from our church to teen camp. I am very happy to report that we hit our goal! **We had 30 that came to camp** (middle picture) **and we had 2 of the teens from our church** (pictured on the left) accept Christ as their savior! We had an amazing week with the other Baptist churches playing games and listening to God's word. God worked in many lives, especially in the young people that came from our church.
