## October 2022 Prayer Letter

### Regional Conference:

My wife and I were able to attend our mission board's regional conference in South Africa. All the Vision missionaries in Africa came together for a **time of training, fellowship, and encouragement**. We had a great time seeing many of our friends again. We feel refreshed and have a renewed focus and energy for what the Lord has called us to do in Burkina Faso.

**We made it back to Burkina!** We had a wonderful time with family and it was a great privilege to officiate my brother in laws wedding. We were happy to see our families again and some friends we had not seen in quite a while. Now that we are back in Burkina, we are getting settled in. We got the house cleaned up, our kids enrolled in school, and now are continuing work on the church plant.

### Family update:

### Church Update:

While we were away, we divided the work of the church amongst some of the young men of the church. There were some national pastors that came and preached for us, while on other weeks the young men preached lessons that we prepared together. I was so excited to hear each week's great report. **The young man on the left got saved while we were away and we also had a man join the church.** It was exciting to see that advancement in the ministry even while we were away. Now that we are back, **we have some young men that will be starting Bible college in October.** We are very excited about all that God has in store for our church plant in the months ahead.

### Prayer Requests:

- Pray for the church plant, Victory Baptist Church of Zinguedesse
- Pray for the young men who will be starting Bible college in October
- Pray for our family as we get settled back into ministry in Burkina
