## December 2022 Prayer Letter

### Church Update:

This is madame Amoles. I met her and her family while out on door-to-door soul-winning. She was getting ready to leave her house when we knocked on her door. She has been seeking help for years for sleeping problems and was headed to a healing service at a charismatic church. We spent over an hour sharing the gospel with her and her husband and she listened intently asking questions. **The next day she came to church where she made the decision to trust Christ as her savior.** She has been coming to church faithfully ever since.

This month we finally got the floor put in our church building. This will really help cut down on dust which is perfect since we have tons of activities planned for December. We will be participating in multiple teen events, hosting a kids evangelism campaign with around 800 kids from our community, gospel film campaigns in our area, Christmas eve services, and new years eve all-nighter.

### Salvation:

### Kids' ministries:

Arnaud and George are doing great in Bible college and have started to help teach in the weekly kids club. They are making progress with their lesson preparation and preaching. Please pray for them as they continue to prepare for ministry.

Ashley started a new kids' Sunday school class on Sundays that has been going great. She has around 40 kids that come each Sunday for her Bible lessons, songs, and Bible games. Ashley will be teaching other young girls from our church to prepare lessons for the kids and how to teach. We are working to train more workers for our church so that our church can effectively reach our community with the Gospel.

### Prayer Requests:

- Pray for the church plant, Victory Baptist Church of Zinguedesse
- Pray for the many activities that are planned for December
- Pray for Amoles who just trusted Christ and for her family to also be saved
