CHURCH PLANTING MISSIONARIES IN BURKINA FASO, WEST AFRICA

January 2023 Prayer Letter

Church Update:

The church is moving along nicely, compared to a year ago **our church has more than doubled in average attendance** as well as made great strides in the spiritual maturity of many of the members. Our desire is to officially organize the church plant before the end of 2023.

December was packed full of activities for our church. We held a Kids Christmas Evangelism campaign where **we had over 400 kids come to hear the gospel**, play games, and get a Christmas present. In each Christmas present, there was an invitation to our church that they were asked to give to their parents and a gospel tract.

We also had a teen outing where we took the teens of our church to gather with others and held the “Who will go” conference where they were encouraged to give their life to serve the Lord. We had a great time with the team games, teaching, and fellowship.

December activities:

Christmas in Burkina:

Christmas is an incredibly busy time for us here in Africa. Aside from all the activities at the church **on Christmas day, we hosted and feed around 90 people at our house.** In Burkina Faso, Christmas is traditionally celebrated by going from house to house and visiting and eating with friends and family. This year we rented a bus to bring in our church members who wanted to visit our house and eat together. It took a couple of trips to bring everyone but we had a great time celebrating Christmas with our church family.

Prayer Requests:

- Pray for our church plant, Victory Baptist Church of Zinguedesse
- Pray for all those who received tracks at our Christmas campaign
- Pray for the youth group of our church plant
