New Kid's Club:

For the last 6 months, we have had an intern here with us in Burkina. Victoria has been working and learning about life on the mission field. During her time here she was able to learn to speak and read some French, to drive a stick shift, and has learned a lot about everyday life on the mission field. She has been a huge help to us, especially with our children and she will be missed.

Building Dedication:

Prayer Requests:

- Pray for the church plant, Victory Baptist Church of Zinguedesse
- Pray For Victoria Radford as she seeks God's will for her life
- Pray for the new kid's club in Honsbaongo, and that we are able to effectively reach this area with the gospel

In an effort to reach our community, our church kicked off weekly kid's clubs in a second location near our church. **We have been averaging over 45 kids each week at the new location** as we strive to reach all areas of our community with the gospel. We held an evangelism campaign for 2 nights and showed gospel films. **We also preached the gospel and had a man make a profession of faith as well as several others show interest in our church.** We hope to see many more saved in Honsbaongo.

Victoria leaving:

On the Last Sunday in February, our church hosted our building dedication grand opening service. It was an incredible day. **We had several first-time guests and a record attendance for our church with 79 adults and around 125 children.** Our church worked very hard to prepare all the details for the big day and it was a really special service for our church. Many members gave sacrificially for the big day, some brought rice, others drinks and some gave special offerings to help purchase new benches. All the details worked together wonderfully, from the choir to the message and the meal afterward. We are excited for the days ahead as we work to continue to grow our church plant.
