Summer Interns:

Again, this month we saw God moving and new people coming to a saving knowledge of Jesus Christ. The young man in the photo on the right is named Gael and he has been coming to the church for about a month now. He has been super involved in all of our services. Finally last Sunday after church he raised his hand to learn more about getting saved. God is still saving souls!

The summer intern program at our church plant has been great. 15 participants have agreed to intern at the church over the summer months. During this time, they will work in different capacities and learn how to serve the Lord better. This group has already hosted multiple evangelism events and helped accomplish a lot of manual labor around the church.

Salvation:

Vacation Bible School:

Last month our church hosted Vacation Bible School for the kids of our community. For three days our church opened its doors and hosted nearly 300 kids as we played games, learned Bible stories, and memorized verses. Each day the kids heard about how much God loves them and how he sent his Son to die on the cross for their sins. The church did a great job of hosting this event and we had over 30 volunteers come to assist with the Vacation Bible School. I was encouraged to see so many in the church working so hard to see the kids of our community reached with the gospel. During the week we had 25 professions of faith.

Prayer Requests:

- Pray for the church plant, Victory Baptist Church of Zinguedesse
- Pray for our summer intern program participants as they learn how to better serve the Lord in their local church
- Pray for our upcoming teen camp that will take place in August
