Easter Sunday:

God greatly blessed this Easter and **our church set a new attendance record with 189 people present for Easter Sunday morning.** We were very excited to baptize 5 new converts who had been saved since the first of the year. Arnaud, one of the young men training for ministry baptized the new believers. We then shared a meal as a church. God is good!

We have begun the process of getting everything together to move the church to their new land. I am waiting for the last bit of funding to come in but I hope to be able to update you by the end of next month that the church is on its new property and the paperwork is done. Please continue to pray for this project and a smooth transition. I will let you know the final results within the next few weeks.

Land purchase update:

International Women's Day is a major holiday here in Burkina Faso. Our church wanted to organize an evangelistic event for the women of our community as we celebrated this holiday. We had over 60 women and many visitors from our area attend. We played games and Ashley along with two other ladies taught and shared the gospel. **We had one woman make a profession of faith.** Also, a group of men from the church came and worked together to cook for the women. They made rice with tomato sauce and chicken. The women were impressed with the men's cooking and the whole event was a great blessing.
